

Introducing our new look Visa Debit card

Dear Member,

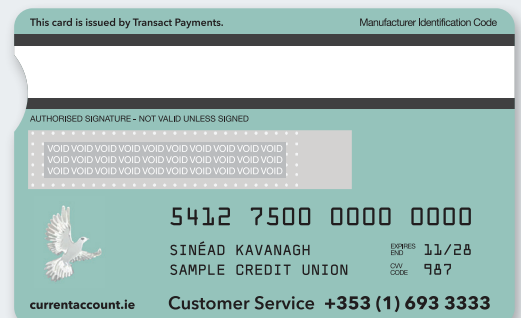

As part of our commitment to enhancing your banking experience, we are transitioning our current account debit cards from Mastercard to Visa. All current account holders will receive a new Visa Debit card soon.

The new look current account debit card is powered by Visa and comes with trusted benefits and enhanced features. The card will be issued to all existing and new credit union current account members.

The benefit of Visa Debit

Visa Debit is accepted at millions of locations around the world, bringing you a seamless, secure and convenient payment experience wherever you go. The new look Visa Debit card includes modern design features to further enhance card usability and accessibility.

- ✓ Your new debit card has printed card details such as the long card number, expiry date and CVV instead of embossed details to improve clarity.
- ✓ All your personal details are now in one place on the back of the card, making it easier to read.
- ✓ We have changed to a portrait card design that reflects the way you use your card, slotting into chip readers and ATMs
- ✓ An accessibility notch at the end of the card making it easier for visually impaired to insert it correctly into chip readers and ATMs
- ✓ Visa Secure makes it even safer for you to shop online. Visa has developed a program that helps confirm your identity when you make an online purchase. It's a free service that protects your debit card against unauthorised use online.
- ✓ Use Apple Pay, Google Pay or Google Wallet for a safer way to make contactless payments.

What do I need to do?

You will receive everything you need via a card mailer which will be delivered to your doorstep, no action is required before that. Your existing Mastercard will remain active until you activate your new Visa Debit card.

If you require assistance or have any queries in relation to the new Visa Debit card, visit currentaccount.ie, contact your credit union or call the Card Services number (01) 693 3333.
